PATIENT RECORD OF DISCLOSURES

In general, HIPPA privacy rules give individuals the right to request a restriction on uses and disclosures of their medical records and protected health information (PHI). The individual is also provided the right to request confidential communications or that a communication of PHI be made by alternative means, such as sending correspondence to the individual's office instead of the individuals home.

For your information and before you sign this disclosure, please be advised that Collin County Pulmonary Associates in the past, present and future:

There are NO Restrictions on disclosure of my PHI except as indicated below:

- Has always required documented permission of a patient or their legal representative before releasing medical records to anyone
- Has always faxed medical records to patients only if we are first sure that the patient has direct personal control of the receiving fax machine at the time we transmit the information
- Has always called the home telephone number to contact you, unless you have specifically indicated otherwise, or we are responding back to your call from some other number
- Has always refused to release your medical or personal patient information to pharmacies and medical suppliers for their marketing or solicitation

 □ Never leave a phone message at my HOMI □ Never leave a phone message at my WOR □ Never correspond with me by e-mail □ Never mail anything to my home address □ Other 	K TELEPHONE number
